NOTICE OF PUBLIC HEARING ON 2024 PROPOSED FEE**

**Notice is Hereby Given** that the Pine Valley Local Administrative District will hold a public hearing on the 2024 proposed fee.

The Pine Valley Local Administrative District was established by Washington County in 2008 for the purpose of coordinating extended police protective services. This district purchased and maintains the four electronic speed limit signs in the valley, coordinates local needs with the Washington County Sheriff's Office and funds the Community Watch program, which now has over 100 members. In 2022, the County added oversight of the Pine Valley Overlay Zone. In the past, this fee was included in the annual fire assessment fee billed by the Pine Valley Special Services District. While no increase is being proposed, this public hearing is being held to ensure clarity.
